Glenda: You are a real  
nice girl. I enjoy talking to you.  
You are lucky to have already graduated  
wish I didn't have to go to school  
another year. Anyway good luck with  
the guys and have fun. I know you  
will. See ya during the summer and in  
the future. Take care and stay cool.

## Class of '76

We, the class of '76, will look upon our nation's 200th birthday as a new personal beginning. No longer will we be in the safe shelter of our parents and school. Some of us will sneak carefully from behind this shelter. Others will cast it away with conviction. Whether we advance to college or the military, or seek employment or a husband-wife role, it is inevitable that our security blanket be removed.

No matter what our futures hold, we shall remember MHS as our starting point; happy, carefree, and, at times, sad. If we never see one another again, we shall remember when we were together on June 17th. We are special. No one, except us, will ever be Bicentennial Grads.

This year Student Government has really pulled together. They started off by working towards a fantastic Homecoming. As a result, M.H.S. had one of the best Homecomings ever! The rally, parade, float, and noontime activities, along with the halftime activities, turned out great. The Homecoming Dance featured Story Tower and was the first dance M.H.S. made money on. Our Homecoming will be remembered for many years to come! The Jack Emery Drive came next, and Student Government really worked together with the Drama and Music Departments to bring together a great assembly, along with the can collecting. George Sharp came in early February, and hypnotized our campus. Next came the M.H.S. Carnival. This was a fun, but also a hard, working activity for all. Then the Convention hit Mil-itas. As usual, the Student Body got into it, and made it something to remember. The Boston Tea Party came back after many years of absence, and it came out great! The end-of-the-year activities were put together well, and went off smoothly. This has been a year to remember!

# Manager and Mascot In The "Spirit" of 76

Linda Garcia, our Spirit Manager, and Karen Sermone, our Spirit Mascot led the spirit program at MHS this year. Linda organized some fine rallies, and, with the help of the Senate and House, revised the Spirit Code, which will be helpful in the organization of next year's spirit program. Karen led this year's spirit with her famous yell, "Gimme a P!!!" She also led cheers at games and rallies; and, along with Linda, made this year truly the "Spirit of 76."

# House of Representatives

The House of Representatives, under the direction of Lupe Soto, worked together this year in the Student Government field passing bills, and going over legislation which was vital to MHS. Along with the Senate, they are the sole governing bodies here at M.H.S. This year's members included: Lupe Soto, Speaker of the House; Moises Marines, Parliamentarian; Anne Coggin, House Secretary; Lauralee Castellanos, Gerald Murray, Peggy Ray, Joe Morris, Patty McKeen, Lys Taylor, Pat Carter, Ken Salet, Chris Turnbull, Bill Petry, Chris Werner, Anthony Augustine, Alice Peterson, Steve Guglielmelli, Barbara Gagnon, Donna Jacker, Linda Young, Mike Latino, Robin Barnhill, Abby Hicks, Julie Hobbs, Lori Brunofski, and Luiza Silva.

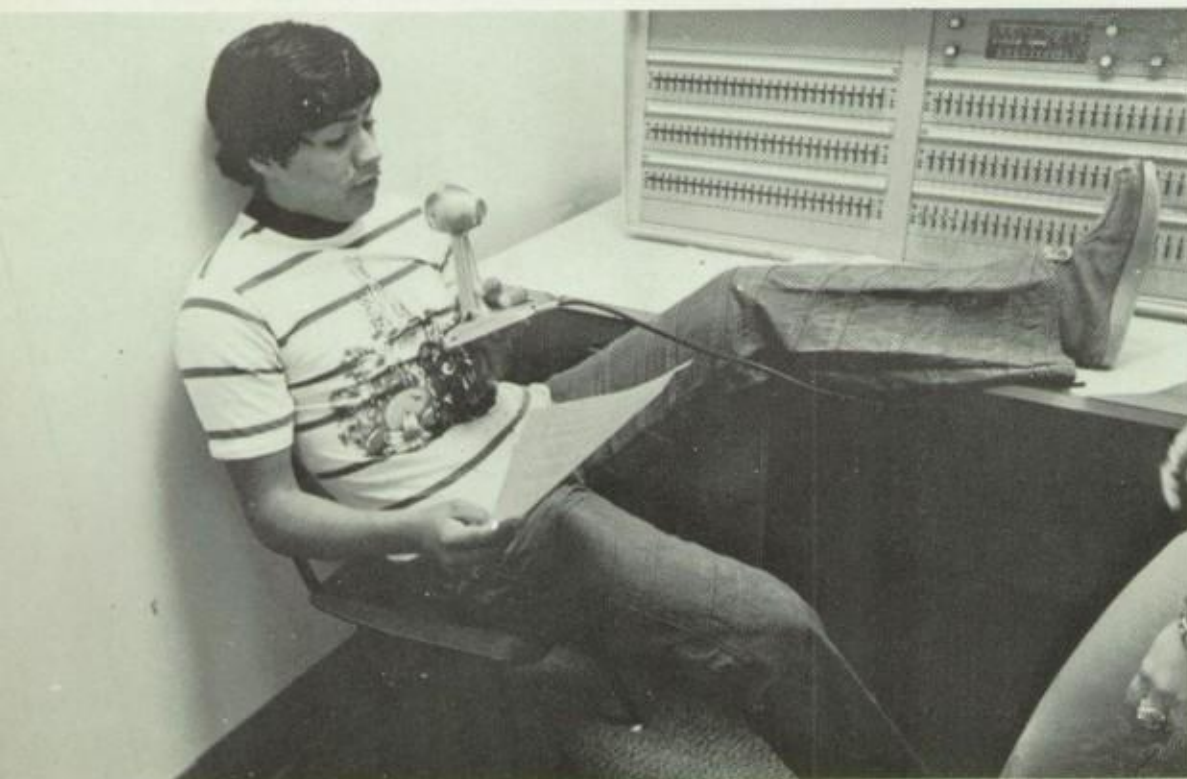

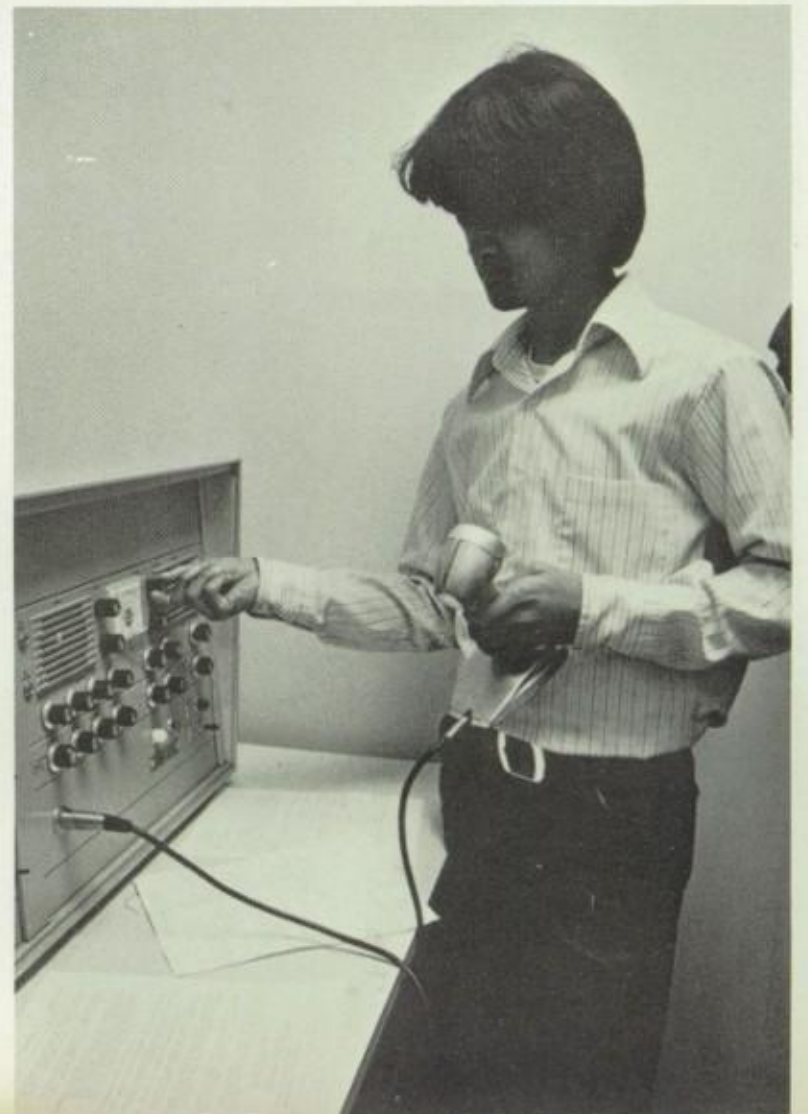

The Student Store moved its location to the rear of the Activity Center earlier this year and proved to be a worthwhile experience for everybody involved. Mr. Moore was this year's advisor and was a great help in making it a success. Many thanks to him for the long hours he put in. This year's workers were: Jayme Gutierrez, Joyce Aguilera, Mary VanDerostyne; Student Store Managers, Kevin Harris, Julie Pitagara; Personnel Supervisors, Leon Rivera, Moises Marines, Rebecca Padilla, and Robin Ruiz.

A wide range of activities in '76 entertained the MHS student body at games (RIGHT BOTTOM), assemblies, and after-school events. The new Performing Arts Department, often the sponsor of these activities, demonstrated its make-up talent (RIGHT TOP) at its Halloween Haunted House and Jazz Band Concert (LEFT BOTTOM). When their car stuff (LEFT TOP) didn't break the established record, drama students kept their promise and swallowed live goldfish (LEFT CENTER). The Activity Center, in constant use this year, not only held the student body office and Student Store, but also served as a popular place to eat lunch, a rehearsal room for spirit groups, and an art room for poster painters (RIGHT CENTER). With so many things going on this year, rarely a week passed where there was "nothing to do."

## Sales, Sales, Sales

A traditional way for classes, clubs, and organizations to earn money is by selling things: candy, stationery, chokers, lotions, flowers, services (ie., car washes), mistletoe, etc.

No matter what the commodity, you're sure to find a buyer at MHS.

CENTER RIGHT: Mary Marshall sells candy for the sophomore class.

LOWER RIGHT: CSF sells candy apples and other goodies at Break.

## '75 Powder Puff Football Game

The Second Annual Powder Puff Football Game, organized by Ms. Lyons, was a tremendous success with many girls turning out to play and many people turning out to watch them play. Various members of the Varsity Football Team coached the respective teams. The Senior-Freshman girls were pitted against the Junior-Sophomore girls for the game.

During the half, the Senior-Freshman girls controlled the ball the majority of the time but were unable to score. Second half action saw Debbie Bennett intercepting a pass and running 90 yards for a Senior-Freshman touchdown. With less than a minute left, the Junior-Sophomores scored on a desperation pass from Joyce Visser to Nina Kapsoff in the end-zone, tying the score at 6-6. They missed the point after, ending the game in a tie. Joyce Visser was injured, but not seriously, on the last play of the game.

# '75 Christmas Assembly

The Christmas Assembly, traditionally held the Friday before Christmas Vacation, started off with the Drama Department staging a small production titled Decking the Halls. Both the Stage Band and Destiny gave special Christmas performances. They were followed by the presentation of the class wall displays. This year the Senior Class won the competition with their portrayal of the Baby Jesus, the Drummer Boy, and the Virgin Mary under the Star of David in their display.

Santa Claus, alias Mr. Heinrichs, arrived with the M.H.S. Song Girls to give presents to all the good Patriots. Bringing alive the assembly, Block M sang "God Rest Ye Merry Patriots" and "Rudolph the Red-Nosed Reindeer." They were followed by the skit done by the government class. The final event on the program was the crowning of the 1975 Jack Emery Queen, Kristi Mateo.

## '75 Jack Emery Court

The Jack Emery Drive was successful this year, with Milpitas High alone bringing in approximately 5,500 cans of food and 250 dollars.

As dictated by tradition, each class chose a princess to represent them. Kristi Mateo represented the Senior Class of '76, Tomoko Flindall the Junior Class of '77, Debbie Larsen the Sophomore Class of '78, and Lisa Flores the Freshman Class of '79.

Throughout the majority of the two-week-long drive, the Juniors had a commanding lead, but a final push by the Seniors saw the Class of '76 win for the second year in a row. Their princess, Kristi Mateo, was crowned 1975 Jack Emery Queen. The Class of '77, '78, and '79 came in second, third and fourth, respectively.

1. Kristi Mateo and Bobby Stidham.
2. Tomoko Flindall and Ed Gonzalez.
3. Debbie Larsen and Paul Cole.
4. Lisa Flores and Vincent Castro.

# Free Speech Rally

On Monday, January 12, 1976, a Free Speech Rally was held on campus to speak out on possible School Board Action to cut elective programs and move to a five-period day at the high schools. Organized by Mr. Squadrito, the rally brought together teachers and students concerned with educational problems in our district. Mr. Butler expressed his concern over teacher cutbacks while student Lupe Soto spoke on the need to keep elective programs.

The rally, covered by two major television networks, came just one day before the Board was to take action on the possible five-period day. At that Tuesday evening meeting, numerous teachers, students, and concerned parents, spoke against a cut to a five-period day. After much debate, the Board unanimously voted to approve a student option, an option whereby the student may select a five or six-period class schedule.

## George Sharp Assembly

A master of ESP and hypnosis, George Sharp gave a day-time assembly and a night performance on Wednesday, February 4, the day it snowed in Milpitas. The twenty MHS students who volunteered to participate in the shows were hypnotised and then told to do certain things. Girls competed in a Mr. America Contest while guys competed in a Mr. America Contest. One moment they hid behind their chairs, protecting themselves from sharks, the next they impersonated their favorite personalities. Audience reaction (CENTER) ranged from disbelief to surprise to laughter when the volunteers were ordered to do such things as think of their funniest moment (ABOVE RIGHT), milk a cow, or raise their arms in the air.

## MHS vs Ayer Faculty

This year's faculty basketball game added another win to Milpitas High's long line of unending victories over Ayer. Both teams played tremendously well, but Milpitas triumphed over Ayer with the score of 56-53. The backbone of the team was provided by the outstanding shooting of Coaches Insell and Crabtree. Mr. Stofle gave most of the much needed help in the area of rebounds, due to his ability to outreach every player on the Ayer team.

# Donkey Basketball

The annual Donkey Basketball game brought many surprises this year when, for the first time in MHS history, the students beat the faculty by a score of 24-20. Senior, Bob Stidham broke the 20-20 tie when he scored 2 baskets in the last 2 minutes. The game, as usual, proved to be very exciting, and all 4 classes played well.

## French Club

The Milpitas High French Club was extremely active in its second year of existence. Led by Mrs. Perla Kohs, the students earned money by selling candy, croissants, and also having a Christmas Boutique to earn scholarships to French Camp and pay for field trips and special activities.

At French Camp the participants speak French the whole weekend as they present a cabaret show, take classes like fencing and crafts, and dance at a discotheque.

The French Club was the only group at Milpitas High to celebrate Mardi Gras by going to Farrell's in outrageous costumes. They also organized a field trip to a play in Old Town, a trip to San Francisco museums, and an end-of-the year picnic and swim party. The French Club is certainly one of the busiest organizations in the school.

## Science Club

Members of the MHS Science Club, advised by teachers Ron Ball, Fred Gereb, and Jack Lippold, acted on their love of the out-of-doors when they spent various weekends hiking and camping. Pictures on this page were taken by Advisor Lippold on a weekend camping trip to Big Basin. The annual February Ski Trip to Squaw Valley was a highlight in their busy schedule.

# MERC Milpitas Ecological Recycling Center

MERC was established in a combined effort of the California Scholarship Federation (CSF), Science Club, Junior Chamber of Commerce (Jaycees), and other concerned citizens in June of 1975. It opened for contributions in September. MERC is staffed by students. It accepts glass, newspaper, and metal (bi-metal, aluminum), gathered and saved by the public. All profits go to scholarships.

## Block M

BLOCK M, led by Mr. "B," is certainly a force on campus. Appearing at most rallies and basketball games, they contribute much to the overall spirit here at M.H.S. A new dimension this year was BLOCK M taking part in the Christmas Assembly dressed in their very best (left) and singing "God Rest Ye Merry Patriots."

# The Revolution

Our MHS paper, *The Revolution*, includes news, features, sports, and entertainment. The number of editions declined this year because of financial difficulties, but the quality of our paper rose, due to this fine staff's strive for perfection.

## Photographers

This year a few of the students in Jerry Heinrichs' Advanced Photography Class entered the world of photo-journalism when they took on photo assignments for the yearbook. Some of their work appears in the sports and activity sections of ANTHEM '76. Many thanks to them for their aid in capturing the Spirit of '76 for us.

# Varsity Football

They (Patriots) are a much better football team than their record shows." That quote, made by an unidentified Oak Grove coach, seems to sum up the 1975 Varsity football season. It was a frustrating season of playing poorly against poor teams and outstanding against superior teams. Against Santa Teresa, the best team in the league, our offense broke through ST's unscored upon defense for 34 points. Unfortunately their offense broke through our defense for 55 points. Against Oak Grove, a team we should have beaten easily, they scored in the last 20 seconds to squeeze past us 22-21. Varsity ended the season with a 2-7-1 record.

# J.V. Football

The Junior Varsity football team started out the season well by beating Hill, 21-6, but after the first 5 games their record was a disappointing 2 wins, 3 losses. Knowing they were a winning team, they vowed to win their last 5 games, receiving a star on their helmet for each game won. They went undefeated their last 5 games and, in doing so, beat Ayer 12-6 for the City Championship. They ended the season with a 7-3 record and in third place in the league.

# Cross Country 1975

One of M.H.S.'s most successful years in X-country. With a league record of 6-4, the varsity finished fourth in the MHAL. Two runners placed in the Varsity top ten, Matt Hartman — 5th and Ken Salet — 10th. Along the way Hartman set the school record for the league course. Central Coast Champions is the title earned the Patriot Frosh-Soph team in 1975, an outstanding achievement for our young set of runners.

# Water Polo

Although the 1975 water polo record does not indicate it, the aquamen grew in size and strength with many excellent individual performances," Coach Squadrito reported. "Nick Kapsoff received All-League Honorable Mention along with the M.H.S. Most Valuable Player award. Sam Meek, Ron O'Brian, and Butch Kirk improved steadily, each receiving Varsity awards. J.V. Standouts include Jeff Hill, Darren Krommenhock, and Scott Johnson. Next year's team will be a much improved team . . . only three players are graduating. It's on the next year with good visions of a winning season."

Even though Milpitas' soccer team was not a top contender for the MHAL crown, the team members gave every opponent they faced a tough match. Their limited success was due mainly to the number of injuries ranging from a dislocated back to a dislocated finger, which forced the changing of the starting line-up from game to game. Losing their number one goalie by a freak injury to Bill Hackett allowed Coach Davis to put in D. J. Bennett, the league's only female player. A disappointing season, maybe, but Coach Davis felt that the team gave 100% at all times.

Frustrating moments for Coach Davis.

# Varsity Wrestling

The Milpitas Varsity Wrestling Team, coached by Dick Rose, finished 7th in the tough MHAL. Although the team was only 2-10 in their season standing, they individually won over 50% of their matches. Forfeits accounted for most of the losses. High points of the season were 11th place finishes in the Ayer and Alisal tournaments and 7th at the West Valley Tournament. At league finals, six wrestlers placed, putting the Patriots in 7th place. Winners were: Jerry Espinoza, 1st; Bill Petry, 1st; Al Detberner 4th; Scott Adams, 5th; Ed Gonzalez, 5th; and Pete Torres, 5th. At divisionals, both Jerry and Bill placed second which advanced them to Central Coast Sectional where Jerry became the first Milpitas wrestler to place at CCS by winning a second place. Jerry qualified for the State Wrestling Finals at Pomona.

League: Won 5 Lost 9  
Overall: Won 10 Lost 11

The Win-Loss record does not reflect the season that Varsity Basketball had this year. This year's league was perhaps the toughest Milpitas had ever seen with all the schools having a fine basketball team. Twice, they lost to Piedmont Hills, Division winners, by only three points and, at one time, our mighty team had a 10-6 record. Coach Insell felt that this team was the best he has seen at Milpitas, and they played like the best. Receiving All-League honors this year was something to be especially proud of considering the high degree of talent in this year's league. Alan Emerson was chosen to represent Milpitas on the Second Team with Martin Rigmaiden receiving an Honorable Mention.

# J.V. Sharpshooters

J.V. basketball doesn't receive as much glory as Varsity, but this year their record was most as good. One more loss and one less win than our varsity, the J.V. team was a team to reckon with. The team improved continuously from the beginning of the season to the end. The remarkable dribbling ability of Melvin Smith helped the team tremendously, as well as the shooting of Scott Brown and James Knox, and the overall improvement of Terry Harris. One of the most exciting games of the season, varsity or J.V., was the J.V. game against Overfelt. The game tied and ran into overtime. We lost by 3 points, but the overall team effort made for a really exciting game. We can be very proud of our J.V. team and their coach Ron Hausauer.

"Our swim season was long and fun. The girls did a great job, worked hard — and even though we were not first in the league — they were a Number 1 group," stated Coach Tess Ricks. Linda Groen made California Central Coast (C.C.S.) finals in the 50 Breast (27.5). Our J.V. Team, made up of all freshmen but two, tied for 2nd place in the league. We are looking to an outstanding season in 76 / 77."

The Varsity Team, League Runner-up with a 10-1 record, had three players named All-League: Joyce Aguilera, Jayme Gutierrez, and Goalkeeper Laurie DeForge. Highlighter Joyce Aguilera set a new MHS girl's record with 17 goals this season. In the game against Piedmont, Goalkeeper Laurie DeForge saved 21 shots on goal. "This year's Varsity Soccer Team played well and worked together as a team," reported Coach Nikki Justino. "We will miss seniors Vicki Hart and Suzanne Shreve, but we're looking forward to having everyone else back next year for a championship team."

## J.V.'s League Champs

The JV's were a strong, hard-working team this year. They well deserve the MHAL Championship previously held by Silver Creek for three years. Patty McEuen, the team's high scorer, booted in nine goals this season. Since many players will be moving up to Varsity next year, there will be a lot of work to keep their trophy.

# The Educators

No more is the age when co-education is a radical concept. No more is the time when teaching by the masses is considered a fantastic notion. Gone are the little one-room, stove-heated, wood-floored school houses. Gone are the small slates whereby students 'figured' sums, or the wormy red apples that once were gingerly placed on the school mistress' desk.

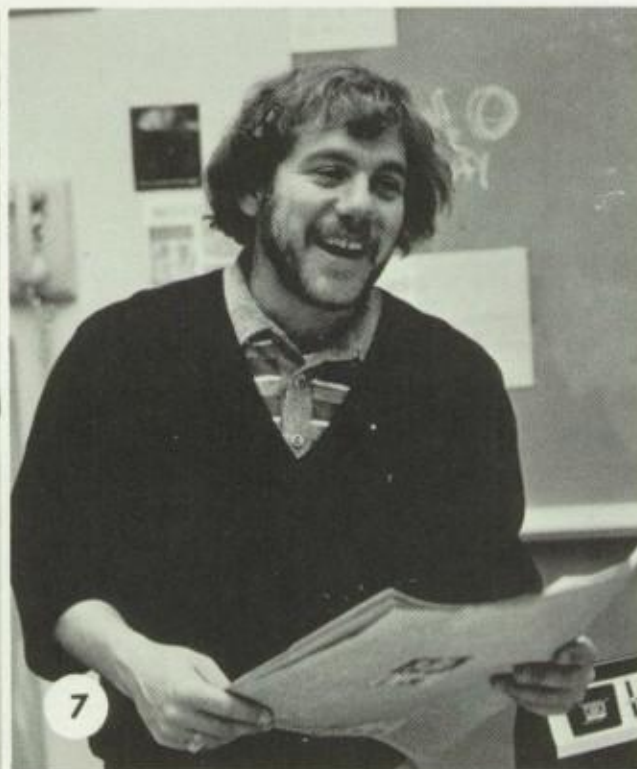

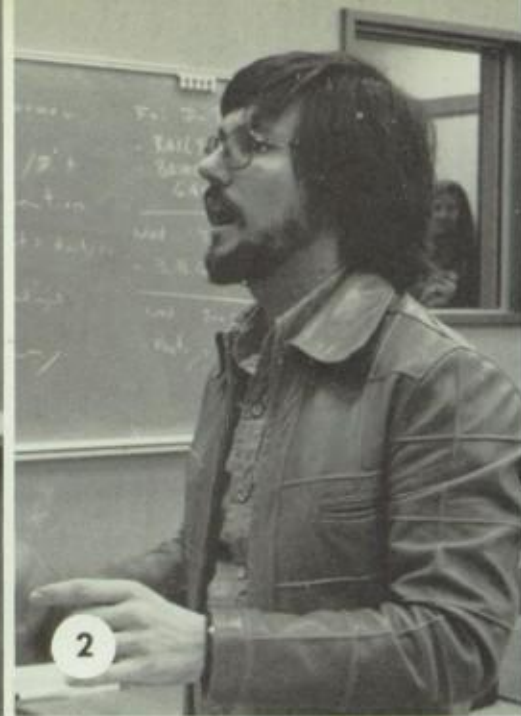

The goal then was to teach the uneducated, but in the sense of providing facts and information. The goal today is to teach the uneducated, but in the sense that the student receiving the education is not only given information, but given to him in such a way and an environment that enables him to absorb and retain it for some future benefit.

Classes and subjects are now taught with the different types of students in mind: the slow and steady learner who gradually grasps the knowledge introduced to him; the average student, compiling and absorbing knowledge with effort, but not as much difficulty as the slower student; the quick-to-learn student who under other circumstances might easily slip into boredom and inattentiveness due to the pace at which the teaching-learning process might operate. Physical barriers are a concern as well as the future of each individual student.

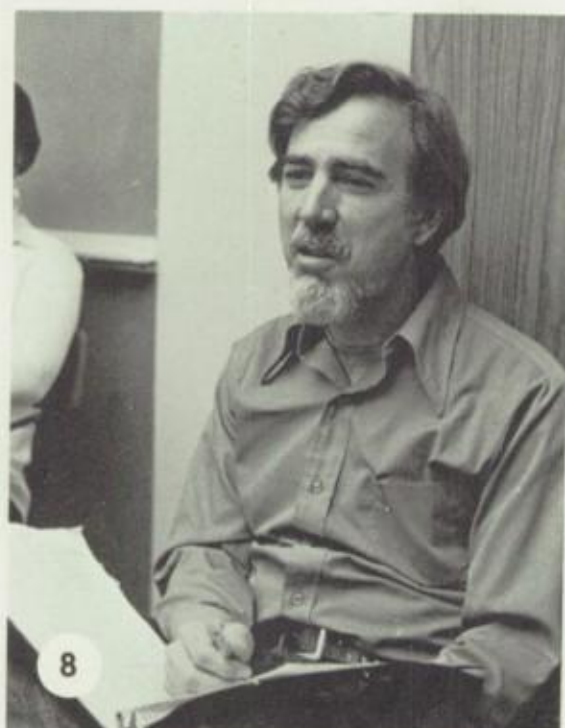

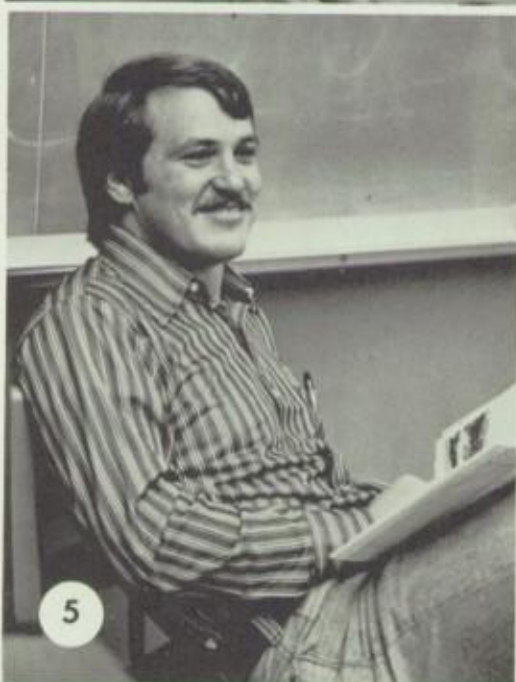

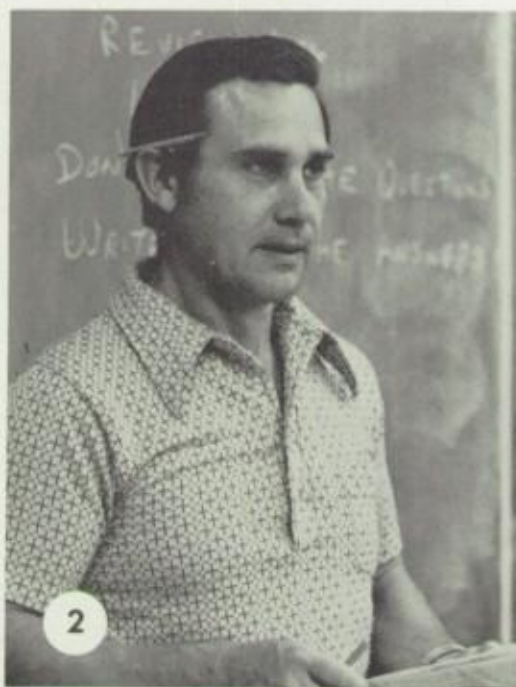

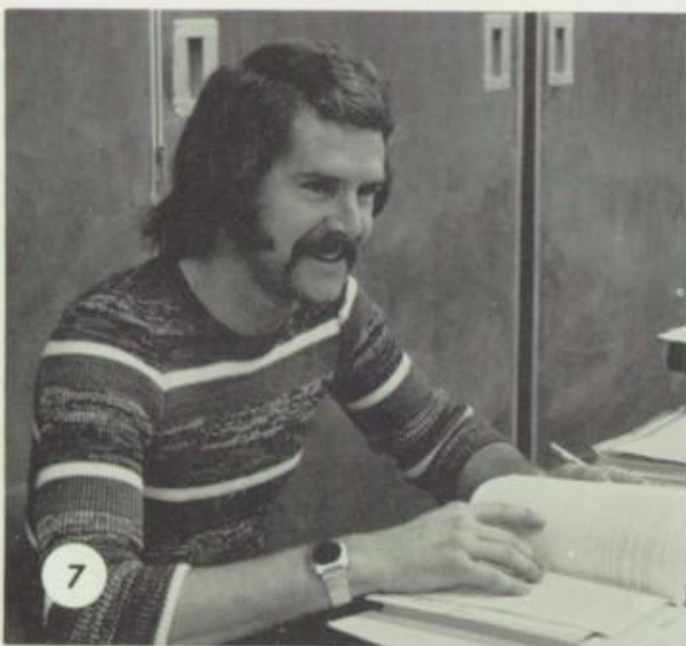

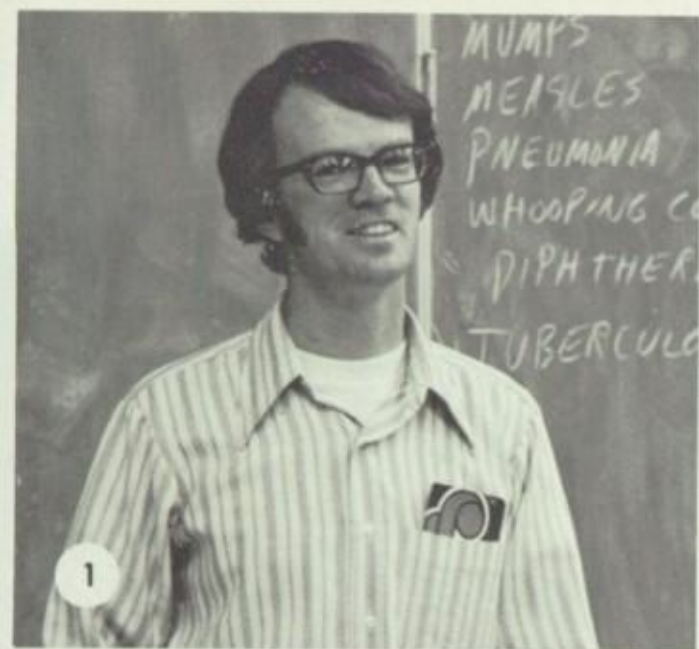

Our teachers here at Milpitas High School have and are taking an active part in the educational system. With much pride and pleasure we wish to introduce you to our Milpitas High Faculty . . .
